## Ninjas in new york

👁 32 ✓ 2 ★ 3

### Chapter 1 by Loghan.B

How do i put this without sounding crazy? Ninjas have invaded new york. I know sucks big time. They think the usa blew up their first Hot dog store but it was really a firework that blew up. And their leader has this weird name, Sum ting wong. I know sounds funny but these ninjas are no joke.

### Chapter 2 by SaintSayaka

And no, I'm not being a weird racist who watched five of his dad's old ninja movies on VHS. His name is really Sum Ting Wong. Even though it's the easiest, most stereotypical "Japanese" name one could think of. And it's Chinese, if anything. And I could have found a better one on Google in, like, five minutes.

Anyway.

The Resistance against the black menace (again, not racist) has begun with my brother, White Mann. He's rallying New Yorkers from every borough to fight back. He went out on a raid against a ninja base five days ago, and hasn't come back. I'm starting to get worried.
